

DAY CAMP INFO & FAQs 2026

updated 5.13.26

What time is camp?

Saltaire Day Camp morning camp runs daily from 8:45am to 12:15pm. After Camp Classes hours generally run from 12:30pm to 6:00pm Monday to Thursday - with a few exceptions.

How much does it cost?

Morning camp tuition is \$530 per week.

What's included in the camp tuition?

All the fun of morning camp plus participation in our camp sports teams is included in the tuition for morning camp for campers 6-12 years old. Note: 6-7 year olds can participate in Juniors Soccer only. Campers age 8+ up can participate in Seniors Soccer, Corkball, and/or Basketball. All campers can stop by the Art Shed for Open Studio and work on some arts and crafts from 1:30-3:00pm. Registered campers will sign in and get an art shed "stamp" on their hand for the day. Please note that Sea Stars campers who do not self-dismiss (most of them!), and the Moon Jellies campers who are not self-dismiss, *will have to be dropped off and picked up.*

My registered camper has a visitor for the week! Can they attend?

No - they cannot attend day camp - even if they have medical clearance

Yes - camper aged visitors can fill out a guest registration form at the art shed and do Art Shed Open Studio!

How do other after camp activities work?

Families have the option to **register** for after Camp classes that range from \$15-\$25 per class depending on materials and supplies. Registration will be **weekly**, and a registration link will be sent out the weekend before camp starts. Examples are: Stand Up Paddleboard, Aqua Games, Birding, Puppets, and more. There are no refunds for after camp classes. The registration schedule is below. More information about classes will be available in late June!

After Camp Registration Schedule

Week 1 - July 6 - registration opens July 4	Week 5 - August 3 - registration opens August 1
Week 2 - July 13 - registration opens July 11	Week 6 - August 10 - registration opens August 8
Week 3 - July 20 - registration opens July 18	Week 7 - August 17 - registration opens August 15
Week 4 - July 27 - registration opens June 25	Week 8 - August 24 - registration opens August 22

CAMPER GROUPS

How will my campers be grouped?

For the summer of 2026 we create **age based groups**.

4s and 5s SEA STARS	6s and 7s MOON JELLIES
8s and 9s DOLPHINS	10s, 11s, 12s SHARKS

What if my camper has friends in an older or younger group?

When you register your camper you will be asked their birth date and that data will automatically place them in a group. We trust you will enroll your children in their correct age group so they can succeed socially and be safe physically. If your camper attends a school where the age cut offs work differently, or your camper has a fall birthday contact the office and we can have a conversation to see if switching age groups is workable. If the camp administration does not feel the camper will succeed in the group their family selected, the camp administration reserves the right to move the camper to the age group that coincides with their birth date.

CAMPER START OF DAY

Where should my camper go at 8:45am?

THE BASKETBALL COURT! All campers will meet at the Basketball Court and check in with their counselors. There will be announcements and a joke of the day. Camp administration requests that 4s and 5s (rising Preschool and Kindergarten students) be dropped off and picked up by an authorized adult. For 6 and 7 year olds (rising 1st & 2nd graders) we request that they are dropped off by an authorized adult on *at least the first day* they attend camp. At that point verbal permission can be given for 6s and 7s (rising 1st & 2nd grade campers) to self-report and self-dismiss.

CAMPER END OF DAY

Where do I pick up my camper at 12:15pm?

NEW: ALL CAMPERS WILL BE PICKED UP (or 8+ self-dismissed) from the Field!

4s and 5s (rising Preschool and Kindergarten campers) must be picked up by their authorized adult

Our 6s and 7s (rising 1st & 2nd graders) must be picked up *unless* their authorized adult gives permission for the child to self-dismiss at drop off to the Group Leader. All other campers will self-dismiss from their last activity location (see schedules) at 12:15pm.

What about bikes?

YOUNGER CAMPERS

4s and 5s (SEA STARS)

6s and 7s (MOON JELLIES)

Should park their bikes on the bike racks near the playground on Beach Plum Walk. (East or Fair Harbor side of the Ball Field). There will be NO parking of bikes on Neptune Walk, or in front of the Art Shed.

OLDER CAMPERS

8s and 9s (DOLPHINS)

10s, 11s, 12s (SHARKS) and CAMP STAFF

Should park their bikes on the bike racks on Broadway (West or Kismet side of Ball Field).

CAMPER PREPAREDNESS: FROM HEAD TO TOE

What should my camper wear?

- COMFORTABLE CLOTHING: In order for campers to participate safely in camp, please have them wear comfortable clothing so they can move and play freely. The camp administration discourages campers from wearing dress up clothes or costumes/accessories (unless there is a special event), pajamas, etc. Campers should ideally be unencumbered by their clothing and free to move and play
- CAMP T-SHIRT: Each camper will receive 1 Saltaire Day Camp T-shirt which must be worn on Fridays
- HAT: for sun safety, hats are encouraged-although hat sharing is not permitted
- SHOE POLICY: Due to the potential for injury (broken glass, hot summer boardwalks, bicycle pedals/chains) footwear for camp is *strongly suggested*. Sneakers are **required** for Field and activities as well as soccer, corkball, and basketball during camp for increased mobility and safety
- BATHING SUIT: see below under “Camper Swimming”

Do they need to bring anything?

- BACKPACK: Campers should have a backpack (with their name on it) to carry their items. A totebag is workable, but the camper can be “hands free” with a backpack. TOWEL: please pack a towel
- RAINCOAT: throw in the suitcase - might not be needed but helpful for rain days.
- SUNSCREEN & BUG SPRAY: It is important to apply sunscreen and bug spray on your camper before arriving at camp. Camp Staff does not apply these products to campers but we can encourage campers to reapply.
- WATER BOTTLE: We have access to water fountains and coolers/cups—but an additional water bottle is helpful so campers stay hydrated

What about snacks?

- SNACKS: The camp will provide 1 serving of snack that will be served to the groups mid-morning and ice pops for most Fridays and special occasions. No nuts or nut products will ever be served and we will be sensitive to common allergens (dairy/gluten/etc). Due to the risk of contamination and allergic reactions, ****CAMPERS MAY NOT BRING ANY SNACKS FROM HOME**** Campers with allergies should describe those allergies in the medical information questions during registration and contact Francesca Albertelli healthdirector@saltaire.org

What about medications?

- EPI-PEN or INHALER: Please make sure that you list the epi-pen in the medical information section at registration. A doctor’s order is required for all medications and they will be required to self-administer. The Health Director can work with your family and run a “self-administer” session if requested.

Is there anything my camper should NOT bring?

- SMART PHONES AND WATCHES: while some campers are used to having these devices, we discourage campers from bringing valuables to camp. If campers have devices with them, we ask that you please talk to your campers about keeping music and games OFF so they do not interrupt the camp activities. Thank you for your cooperation!

Does my camper have to be potty trained?

- Yes. All campers must be fully toilet independent and capable of managing their own personal care, including toileting, changing their clothes, and cleaning themselves.

CAMPER SWIMMING

What should my camper wear on swim days?

- For our 4-7 year old campers, wearing a bathing suit under clothes is a simple option. Campers can also bring their bathing suit and change but the process is time consuming and they can miss swim time. As in other years our youngest swimmers will swim last so that they can change right after camp if needed. Please pack a towel with your camper's name written on it.

Does my camper need a swim cap?

- Swim caps are optional. Please send one in your camper's bag and tell the group leader - and we will make sure they wear it.

Does my camper need floaties or personal floatation devices if they cannot swim?

- For safety purposes campers are NOT permitted to use personal floatation devices during camp. At times they will be provided with a kickboard, noodle or barbell for instructional purposes.

Will my camper go swimming in the rain?

- Campers *will* go swimming in light rain--unless there is bad weather forecasted like thunder and lightning. In that case we will switch to a special rain day schedule.

What is the deal with swim testing?

- Campers will be swim tested at the beginning of July and beginning of August - OR when they start camp if it is not at the beginning of each month. Swim tests will take place during the camper's regular swim time.

Is there anything else I should know?

- Occasionally there may be the presence of miniature jellyfish larvae coined 'bay lice' which can cause discomfort for some campers. We will make every effort to make sure campers rinse off after swimming. Campers who usually wear a one-piece bathing suit might want to consider a two-piece or tank suit so that the 'bay lice' do not get trapped under their bathing suits.

Do the campers do anything else in the water but swimming lessons?

Yes! Read below.

- **Monday Funday** is when your campers of all ages will get the chance to play some traditional water games like Marco Polo or silly games like Water Dance Party. In addition to teaching swimming skills, we believe seeing the water as a place to have fun is critical to the success of our swim program
- **Ocean/Ocean Games** under the guidance of our experienced ocean lifeguards, campers of all ages will get the chance to travel to the ocean side of Saltaire for beach games, learning about the ocean and marine life, and more. Campers in 3-6th grade **who are progressing in their swim lessons** will learn how to safely enter and exit the ocean.

SALTAIRE SWIM TEAM

• How can my camper participate?

- Campers must be 7 years old and will need to pass a swim test on their first morning practice. Families can sign up for the swim team online on **Monday, July 6**.
- Practices are Monday, Tuesday, Wednesday (NOT Thursdays) and Friday mornings from 8-8:40am and begin Week 2 on Monday, July 13 and run through Week 7
- Campers planning on signing up for Swim Team Participants should wear a navy or blue swimsuit (ideally), and swim team members will be given goggles and a Saltaire swim cap.
- **Questions?** Ask Meg Schou, Camp Aquatics Director: aquatics@saltaire.org

SALTAIRE SPORTS TEAMS

 - **SENIOR SPORTS TEE:** Equipment/Uniform: Campers will be given one Saltaire Sports teeshirt that they should wear to games. They may be required to also wear a team pinny that will be provided. Sneakers are required. Soccer: cleats and shin guards are helpful if you have them, but not required.

RAIN AT CAMP: THE PLAN

What happens if it rains?

The weather in Saltaire/Fire Island can be difficult to predict. If it's raining, the Camp Director has a discussion with the Village administrator and other Village staff - and uses 3 weather and radar systems to make the most informed decision of whether or not to "call it" and have an indoor day at camp. The Camp Director will wait until close to 8:30am to make the call since the weather can change drastically. A message will be sent through Campbrain. If time allows we will post on social media as well. We will cancel camp if a tropical storm or hurricane is predicted. If a rain day is called, your camper will start and end their day at Saltaire Yacht Club back room which is located at Marine Walk and Bay Promenade. Bike parking is limited and we must keep the walk safe.

Due to slippery conditions, there will be no biking during rain days so ideally campers should walk. If campers bike younger campers use the bike racks on Bay Promenade when the Yacht Club rack is full. Dolphins and Sharks (8+ campers) use the bike parking on Broadway across from the ball field. The campers will travel to the indoor spaces available for activities: Art Shed, Art Shed Deck, Saltaire Yacht Club Backroom, Saltaire Yacht Club Deck, Bay Gazebo, Fire House, and Library-depending on availability. Send campers in a raincoat or bring a towel. They **will travel in the rain** from activity to activity! Finally, if it's a variable forecast we may switch to the regular schedule if the weather changes early in the morning - like say it's sunny by 10am. The Camp Director will send another message so that you will be prepared for pick ups.
